NOTICE

To: All the new entrants for the Academic year 2021/2022

Pre-University Online English Language Course

The UGC created Pre-University Online English Language Course to help the students to enhance their English language skills. This course consists of 15 modules, and it can be accessed at anytime, anywhere.

Introduction video at   **https://youtu.be/j_QCMV5PxCk.**

To access the course: **https://vu.ugc.ac.lk**

Log in detail.

Log in with your **AL index number** as the username and your **NIC number** as the password.

More information about the course will be available on the course page once the students begin learning in Pre-University Virtual Learning Environment.

Dean,

Faculty of Applied Science
