Call for Exhibitors: FARS2024 Conference

THEME

Waste as a Resource

Are you ready to turn waste into innovation?
Join us for an exciting exhibition at the FARS2024 Conference, where creativity meets sustainability for the betterment of Humanity!

📅 **Exhibition Date: 30.10.2024**　　　📍 **Lecture Hall 2 / DBS**

Who Can Participate?

Students from Computer Science, Environmental Science, Mathematics, and IT
Student Groups of 3 members from University of Vavuniya are welcome to showcase their innovative idea prototypes

Why Participate?

Gain valuable experience in project development, Network with professionals and fellow students
Contribute to a sustainable future by showcasing your ideas!

What to Showcase?

Develop ideas that transform waste into valuable resources in areas **not limited** to the following:

Environmental Science

- Safe waste disposal methods
- Safe decomposition materials and tools
- Sellable by–products of waste
- Innovative recycling techniques
- Sustainable waste management practices

Computer Science/ Applied Mathematics and Computing/ Information Technology

- Efficient waste collection routes
- Resource optimisation in waste disposals
- Waste tracking and planning systems
- Automating waste disposal processes
- Automated waste classification technologies
- Data analytics for waste management
- Mobile applications for waste reduction awareness

Important Dates:
Registration Opens: 10.10.2024
Registration Closes: 20.10.2024
Prototype Submission Date: 28.10.2024

How to Register:
